# Routes, Points of Interest, and Parking

## Rules of the Road

### Motorist Warning

Pedestrians have the right of way. Vehicles must stop for pedestrians in crosswalks. It is the LAW.

### Pedestrian Warning

Avoid walking on narrow park roads. Use trails that parallel most park roads. Always face traffic.

### Bicyclist Warning

Bicycles are prohibited on park trails. Bicyclists are permitted on all park paved and unpaved roads and must obey all traffic regulations. Always ride with the flow of the traffic. See and be seen: wear bright colors and a helmet.

On the narrow Hermit Road, bicyclists should pull to the right shoulder of the road and dismount when large vehicles are attempting to pass. Never hang on to a shuttle bus while riding.

## Parking

Parking is available in lots throughout Grand Canyon Village. Please avoid

parking along the roadside except where signage or lines on the road indicate that it is permissible. The largest parking lots can be found at Park Headquarters (Lot A), the Backcountry Information Center (Lot E) near Maswik Lodge, and Market Plaza (Lot B). Parking is often available near the railroad tracks (Lot D), even when other lots are full. RVs are encouraged to park at the Backcountry Information Center lot, where oversized stalls are available.

Easily accessible shuttle bus stops are located at all parking areas

## New Visitor Center

The canyon's newest visitor center, Canyon View Center, is

located at the park's newest facility, Canyon View Information Plaza. Accessible by shuttle bus or a short stroll from Mather Point, the visitor center provides information about day hikes, daily ranger programs, and canyon viewpoints. The Canyon View center is open daily from 8:00am to 6:00pm. Outdoor exhibits may be viewed at all hours.

Also located at Canyon View Information Plaza is Books & More, a new bookstore that houses displays portraying the natural history and geology of Grand Canyon. The bookstore is open from 8:00am to 7:00pm.
